On August 18, 1978, SRP and DWP visited with Alice Mae Williams in her summer home at 1508 Beech Grove Road, Seelyville, PA 18431 (winter address: Box 82, Pomona Park, FL 32081; telephone 904-649-9261). During the course of that visit, AMW graciously permitted SRP and DWP to make copies of numerous papers in her document archive about the early settlers and institutions of Clinton Township. The information given above about the thirteen children of George A. Curtis and Jeannette Geuther is from one of those papers.
